Our first Cruzin' Sunday went off well, with 6 Model A's out, and none experienced a single bit of trouble. Joining us were Nancy Poulsens parents in their 31 Tudor and Bob Granko's parents in their 31 Pickup. Glad they came, and hope they enjoyed the day too. It was sweltering that day, and we made it a shorter days outing with a stop at a flea market, White Fence Farm for lunch, a hill climb in the quarry, and of course a stop for ice cream, as no trip is complete without ice cream.

Wally Ekstrom is looking for cars to lead off the Ca Support Center group during the Homewood 4th of July parade. Line up is 1045 am, and parade kicks off 1130 am. call him to lead your support on that day

I received a nice e-mail from Paul and Sandi Hankowitz the other day. They have finally got their car out. Paul is working full time now, and is working pretty hard. And they say they have finally gotten into the 21st century by getting a computer. Here is their new phone number (262)-593-2423 and e-mail address, paulsand@core.com. Why not call or e-mail them today.

Our Presidents Message

Well here it is as hot as the 4th of July. I sure hope Bob, Ken and the "Dash" crew has had some time of their own by now. It's been crazy around here. Hope to get my driving arm back. I miss the cruise night. Looking forward to Claude and Nancy's for the July meeting. See you all there.
